About the School

The main objective of Epiphany Preschool is to provide the highest quality learning experience possible for young children in a Christian environment. We meet this goal by nurturing each child's own love of learning.

We learn through play! Our hands on approach to early childhood education provides the children the opportunity to develop emotionally, intellectually, socially, spiritually and physically at their own pace. Group cooperation, concern for others and responsible behavior are all concepts we encourage.

Circle time is held daily as students explore calendar concepts, sing songs, read a book and explore group learning. A wide variety of movement activities are provided to promote large motor skill development.

Special Events and Happenings include:

- ~Chapel time with Pastor Ronald Myers
- ~Field trips
- ~Special Visitors
- ~Breakfast with Santa
- ~Christmas Program in December
- ~Graduation for Pre-Kindergarten in May
- ~Parent guests/Volunteers
